JERMUK INTERNATIONAL PEPSI-COLA BOTTLER

Recommendation Letter to Nor Project Company

This is our pleasure to express our gratefulness to "Nor Project" for implemented fantastic quality furniture for Jermuk International Pepsi-Cola Bottler's new office.

We recommend the company "Nor Projects" as highly professional and experienced partner.

The company provides premium grade quality as well as a service installation and grants warranty.

During our working time the company's workers have done a great job from professional and personal perspective.

We are absolutely confident about recommending this company, and have plans to cooperate further.

Best Regards,
Regional Procurement Director
